

Sponsorships and Exhibits

Sponsorship of the biannual Meeting supports the leading society for basic and translational Hepatology. It brings together leading researchers and junior fellows from across the world. It is also an opportunity for companies, industry suppliers and vendors to showcase their products & discuss research policies with leading scientists in the field.

Why should you participate?

- Targeted audience of biomedical scientists, clinicians, and industry representatives all interested in liver cellular biology, pathophysiology of liver diseases, and development of new therapies.
- High visibility and a prime opportunity to present key achievements and strategic goals.
- Extensive networking opportunities during the meeting.
- New in 2019: be part of the sponsor-hosted informational session.
